ALL CLUB EVENTS ARE "FRAGRANCE FREE" BOTH IN THE CLUBHOUSE AND ON THE GREEN. PLEASE REFRAIN FROM THE USE OF PERFUME, COLOGNE, AFTERSHAVE, AND OTHER SCENTED PRODUCTS. THANK YOU

DRESS CODE

Smooth soled shoes without heels must be worn on the green. Casual play does not require whites or club colours.

For all Club Championship events, the wearing of whites or club colours with whites is optional. Teams are encouraged to coordinate their attire.

For V&D or Inter-club events, please refer to the V&D Handbook. For visitations and the Lloyd Shea there is no dress code when playing in Tsawwassen. However, when playing away, adhere to the dress code set by host club.

RULES FOR THE ARTIFICIAL GREEN

Absolutely no grippo is to be used on the green. Street shoes are not to be worn on the green as they leave behind grit and rocks. Keep a pair of smooth soled shoes in your locker for use only on the green. Only chalk, spray chalk, or water-soluble liquid chalk can be used to mark the bowls.

GAME RULES

- **All games under TLBC sanction will be conducted under the Conditions of Play as presented in the Games Management Manual.** Notice of events (except daily draws) will be posted two weeks prior to the event. Ten days will be allowed for entry. The draw will be made 3 days before the event and then posted. **Drop outs after the draw are strongly discouraged.** If you must withdraw from an event after the teams have been drawn, inform a convenor. Generally, the convenor will select a spare from as close as possible to the top of the remaining Spares list but with due consideration for ranking equal or close to that of the drop-out. However, for championship events rules with respect to spares will be governed by the Conditions of Play for the event. **For sign-up events the Skips, as a courtesy, are asked to advise/remind their teams by phone. However, the ultimate responsibility for checking the draw sheets prior to the event rests with the individual members.** All questions related to the event must be directed to the convenor listed for that event. Club events take precedence over ordinary or casual play. For Club singles and pairs finals, Interclub events, and V&D events other than Monday Pennant Leagues, no other bowlers are permitted on the green. At the discretion of the event convenor, open or practice games may be permitted during other trophy or club championship events. All draws are to be in accordance with tag board. Changes in playing positions may be made by the skip of a team following the draw. **Special note:** In the event of a “burnt end” in which the Jack is driven beyond the boundaries of the rink, the Jack will be re-positioned to a point on the centerline at a distance of 2 metres from the front ditch and the end will continue to completion.
- **Rules for the Cutthroat Leagues on Friday nights will be as the Conditions of Play for the League.**

SCORING SYSTEMS

- For Loonie and Toonie draws, total shot differentials are used to determine the winner
- For Tournaments and Leagues the scoring system will be 3 points for a win, 1 point for a tie and zero points for a loss, then total shot differential limited to +/- 10 in each game. If a tie still exists, ends will be counted. In club championship events, if a tie still exists after ends are counted, all players involved in the tie will have their names on the trophy.
- For monthly leagues there may be rainouts. Prize money will be awarded if a minimum of 3 games are played, otherwise entry fees will be returned and the league will become a non-money event.
- For the Cutthroat Leagues the scoring will be total accumulated score of games played and score issued for weeks missed.

SPLITTING GAMES - Any weekday normal draw may be split between any two members. Any Loonie or Toonie draw, any visitation and the Men versus Women event games may be split between two members of the same or adjacent rankings.
